

Columbarium

Members of our Christian community at St Paul's are customarily buried accompanied by the Church where we have gathered to thank God for the life of the one who has died. Our columbarium provides a lasting, respectful resting place. Together we intercede for the departed, asking God's eternal care and purpose to be fulfilled, and to ask solace for all who mourn. The clergy and other staff will assist you in arranging a space in the columbarium.

We have currently 50 niche spaces and several available for purchase. The niche provides space to support the ashes of four urns Each one has a cost of 1,000 USD which includes a Rite of Committal that can be held at the columbarium, allowing families to say final words, share memories, and leave flowers. The Columbarium Garden was created by Norma Robinson and is a lovely spot for peaceful reflection for all who visit. A plaque will be included in the price. Please contact Claudia Rangel with this form filled out making it clear to us your request.
stpaulmanagementsma@gmail.com

All are invited to fill out in advance our Funeral Information/Directives,
available from Claudia the parish administrator.

Please let us know when and how you plan to Commit the Ashes_____

Before the Burial Service _____ After the burial Service _____

If you have purchased a niche for the St Paul's Columbarium a plaque will read;

Name[s] up to Four Names:

Memorial gifts are welcome and appreciated in support of all those who have died and those
who live in their memory _____
